1/23/2021	Social Media Post	Geberth				"Just so you all know what I am dealing with on a regular basis. <b>Backhand threat to my friends YouTube page.</b> Email address that doesn't work... I think it's safe to say where it's coming from. So no one say the name of the person or persons and anything nasty. These are very vicious and evil people... I will not be intimidated and I'm not afraid of them. I have people I know in very high places. I am doing it all by the law. All the right people have all the information and so do all my family, friends and FB friends now to."

2/26/2021	Transcript			44		<b>Daniel Geberth's Motion to Dissolve Injunction - Sixth Judicial Circuit in Pinellas Co</b> <b>SOLOMON:</b> Mr. Geberth, are you -- are you concerned that your contacts with people involved in the case who had your contacts with people involved in the case who had dealings with Ms. Antonio will lead to you being charged criminally? <b>GEBERTH:</b> Yes, I do. <b>SOLOMON:</b> Why do you believe that? <b>GEBERTH:</b> Because I feel like that she will use it to try and use it against me because she has already before. As I discovered, people -- I mean, the people I might be contacting might be involved in her -- might be involved in the -- in the whole -- what's -- what's going on because I'm discovering that there's more than -- there's more than one person involved in this -- in this whole scheme of things. So, I mean, I've gotten backhand threats. I had a backhand threat basically sent to <b>my friend's Facebook -- YouTube page</b> saying tell Daniel to stop threatening his ex, to leave her alone. And then I got another message that was sent to my Facebook page that I --
				46		<b>SOLOMON:</b> Mr. Geberth, you were mentioning that you had received a threat from somebody that you had contacted in order to investigate the charges that Ms. Antonio had made. Tell us about that threat.  <b>GEBERTH:</b> It was sent to a friend's YouTube page where I did a live webcast for my company. And it said --
				49		<b>THE COURT:</b> Well, I'm not going to admit the statement or the threat. So Mr. Geberth knows that we're not admitting that and he's not going to say it. <b>THE RESPONDENT:</b> Well, it was up on my friend's YouTube page for eight hours. And he has probably 30- to 50,000 followers. So a lot of my customers saw it. And, you know, it made me look bad. And the threat basically said tell Daniel to leave --
				51		<b>MS. MCHUGH:</b> Judge, I'm also going to object to relevance of this line of questioning. As Your Honor pointed out, these did not come from Ms. Antonio. It has nothing to do with changed circumstances as to whether a friend of his put something on Facebook.

**ANTONIO: And this is why Daniel has immediately changed the context of our relationship so he can save face or threaten me with my rapist because he's a -- he's a weakling and nobody is ever going to believe me that anything ever happened to me. It's all for --**

Q Is it your testimony that you characterized that intercourse on the cruise as rape prior to the last installment of this hearing?

ANTONIO: I said it again, yes, on April 22nd it was discussed.

Q (By Mr. Solomon) Ms. Antonio, you filed many motions in the adversary proceeding and in the Court case in bankruptcy, have you not?

ANTONIO: Many? Of -- of what?

**SOLOMON: Have you filed many motions in the bankruptcy case, both in the adversary proceeding and in the court case, both in the adversary proceeding and in the court case?**

**ANTONIO: I'm a pro se litigant, thus I have to file motions.**

Q Have you filed many motions? Please just answer my questions.

Q You've complained about Judge McEwen by asking her to recuse herself?

ANTONIO: In open court, yes.

Q Okay. But you never complained that this document was posted in violation of some order that you say Judge McEwen announced both in open court and in written orders on multiple occasions. Why not?

ANTONIO: I would like to see all the motions that I've filed so that we can prove this.

There's 117 motions on that docket in bankruptcy court.

\*\*\*117 Entries\*\*\*

SOLOMON: Well, how many of those 117 motions did you file?

ANTONIO: I'm not sure.

Q You can't -- you can't tell us whether or not you ever complained to the Court that Mr. Geberth or his counsel posted something that was produced in discovery; is that correct?

Solomon refers to me defending myself by filing motions, GoFundMe etc (Geberth most likely told him that I would not be able to afford to defend myself and expected a fast win on a frivolous case)

ANTONIO: I am not sure. I would have to, again, go through my motions because I may have with a motion to quash that you responded in kind. So --

Q And how come in the motions that you filed in this case, you haven't complained about rape in any of the motions that you filed in this case?

*Reminder: Adversary Proceeding Where Geberth Is Not A Party*

ANTONIO: I am not certain. What do you mean I haven't filed about it?

Q You haven't filed any motion claiming that you were -- you were sexually assaulted -- forcibly sexually assaulted by Mr. Geberth in any of the motions that you filed in the State Court -- in any State Court case, correct?

*Referring to my Financial Statements Obtained Through DGP's Adversary Proceeding*

Q Now -- but you have found your way since -- since November of 2019, to places near Mr. Geberth's home, haven't you?

ANTONIO: No.

Q But you -- you live some -- some 25 minutes away from where Mr. Geberth lives, don't you?

ANTONIO: A little bit more than that.

Q Okay. But why were you at Culver's -- Culver's fast-food place that was 20 minutes from your home, but only 7 minutes from Mr. Geberth's on January 13th, 2020?

ANTONIO: I wasn't.

Q Well, why were you at --

**ANTONIO: You know, I have family over there, correct, so --**

*Solomon Law Received My Bank Records in January 2021 Prior to February 2021 Motion To Dissolve Injunction Hearing*

Q Why -- why were you at the Publix near Mr. Geberth's home on May 26, 2020, when you have at least

Geberth's home on May 26, 2020, when you have at least five Publix closer to your home?

ANTONIO: I was not.

Q And why were you at the ATM on July 7th --

ANTONIO: Are you stalking me, or is your --

THE COURT: Hold on, hold on.

ANTONIO: Now, it sounds like you're getting caught.

Q (By Mr. Solomon) Why were you at the ATM ten minutes from Mr. Geberth's home on July 7th?

ANTONIO: Which ATM and where because where -- how -- **are you tracking me** or -- because I have not been anywhere near Daniel, and I do have a sister that lives in New Port Richey ten minutes from Daniel.

Q And why were you, on February 4th, two days before the hearing before Judge Hamilton, entering Mr. Geberth's subdivision?

ANTONIO: I was not. Do you realize his accusations? I didn't even have that car. My car was broken down. I didn't even have that car in my possession, or when I --

Q When --

ANTONIO: -- ended the relationship, I got rid of that sticker, so --

Q And you -- you -- you bought a gun on -- on January 1st, 2020; did you not?

**ANTONIO: So are you going through my statements now from my financial statements; and this is exactly how I said that I'm fearful because now that he knows that he's tracking me from my financial statements, and you just proven me.**

**SOLOMON: Did you post TikTok videos about Mr. Geberth?**

ANTONIO: About Mr. Geberth, or about what he's doing to me in a voicemail come threatening me with my rapist.

SOLOMON: Did you post the voicemail on TikTok?

ANTONIO: Yes.

SOLOMON: Why did you do that?

ANTONIO: Because I'm being framed for things that I'm -- I did not do, and I have no attorney, and I have no money, and about to become homeless. And I'm being framed by you, and what else? You've abused discovery, using my financial statement. That's why because --

SOLOMON: I'd move to strike -- move to strike --

**THE COURT:** Well, you asked her why she posted it. She's indicating why she posted it, so  
**ANTONIO: I'm scared, and I need help.**  
**THE COURT:** – overrule the objection as to unresponsive. Next question.  
**SOLOMON: And how did that help you by posting those matters online?**  
**ANTONIO:** I'm allowed to. I'm allowed to talk about – it's a public document. Anything – that's a public document, I have – it's nothing for him. It's to seek help from other people because I'm alone, and it was COVID, and I have nobody to help me, and I have somebody framing me. So therefore, yes, I would like to seek help from other people in that circumstance. I have every right to ask for help, or ask for a community of survivors of domestic violence for – to seek help in these matters because I'm scared.

**SOLOMON:** And that's your testimony under oath today that his motion filed in this case to dissolve the injunction says that he wants his guns so that he can – so that when he sees you in public, he'll have them?

**ANTONIO:** That's what it says, correct. That's what it says on the motion to dissolve.  
**SOLOMON:** And he wants his – he said he wanted to be able to have his gun permit. And how did that target you or give you a reasonable basis to believe that he was going to use the guns against you?  
**ANTONIO:** That direct line in the motion where it says, if he sees me in public, he would like to have a gun on him, would impose fear on anybody. I've dated him for five and a half years. I know his temper tantrums. I know his – the way he is.  
**SOLOMON:** And you contend that that's in his motion to dissolve?  
**ANTONIO:** It is. It is why I had a nervous breakdown and was Baker acted and sent to –  
**SOLOMON:** Are you referring to the motion that was filed on December 3, 2020?  
**ANTONIO:** Yes.

And my last comment is that with respect to all of these things we keep fielding in terms of "you can't this and you can't that," **we believe that the stalking is only in one direction**, that it's the best defense is a good offense that Ms. Antonio is perpetuating here. And what she's claiming is just false from what everything I have investigated of her in the past talked about and received about what had actually happened: He stalked me, he this/he that.  
**If she has such a claim, just like she represented to the Court she had already done, let her file it in the appropriate forum instead of muddying this very simple case with those allegations.** I need to know the background of the relationship, how they got along, what it was. And he explains their breakup differently from what I think she's going to describe it. And she says, "It's none of your business."

**STATUS CONFERENCE**

**THE COURT:** Okay. All right, I'll look at that. Now, **coincident to the Document 512 and 517, it's my understanding that you do want to have a -- the TikTok issue played out as part of the Motion to Compel -- I mean, the Motion for Sanctions?**

**MR. SOLOMON:** Yes, ma'am.

**THE COURT:** Okay. All right. So how much time will it take to have a trial on whether Ms. Antonio was posting on TikTok at a time when she should have been in this courthouse?

And then we would need to hear testimony and see evidence, documentary evidence, whatever it is, on the TikTok issue, because if it is proved that, Ms. Antonio, you were on TikTok at a time when you've told the Court that you were ill, and you've been given the opportunity to show you were ill, and you've not demonstrated that at all to my satisfaction, it's -- one of the likely sanctions is that I would strike your pleadings.

**MS. ANTONIO:** I understand that.

**MR. SOLOMON:** Would you like to see it now, Your Honor? I mean, I don't think it's an hour. I was estimating an hour for both sides.

**THE COURT:** Well, seeing a TikTok movie doesn't tell me that it was being posted at that particular moment.

**MR. SOLOMON:** Yes, it will. We'll show you how you determine when it was, and you can make your own decision as to whether you think you agree with us. **We think we know when it was. It was approximately 3:19 that afternoon that she posted on TikTok.**

**THE COURT:** Well, that's not when the deposition started. Didn't it start at 1:00?

**MR. SOLOMON:** And we didn't charge at all for October 1st. We took to heed your prior comment, as much as October 1st. We took to heed your prior comment, as much as I disagreed with it intellectually.

23 **MRS. CRUZ-GARCIA:** We -- our IT manager -- that's why we have him on standby -- took a video of the TikTok video and he has it date and time-stamped. **And if you look at the TikTok entry, it says it was posted two hours before he took that video. So we know she posted on 9/30 at 3:16, 3:19, 3:22, 4:30 p.m., and then continued through the night when she was supposed to be ill and not well, at 9:59 p.m. and at 11:00 p.m.**

27 **THE COURT:** First of all, it's somewhat moot because the deposition was had, although the entirety of the deposition has not been completed. I think what we've done is we've agreed to have a continuation on February 12th in my presence, just like the judge was present when a certain deposition was taken in the Clinton litigation. And I will come to a court reporter's office and sit there and call balls and strikes in real time.

1/12/2022 E-Mail Luis E. Orengo Hi Faith—my family and I have been extremely sick with what I think is COVID. Sorry, I couldn't even get up yesterday. I have the engagement letter thanks, please send me the Box link.

1/12/2022 E-Mail Antonio I am so sorry to hear that. I hope you and your family get well soon. I am uncomfortable with sending any further information until there is a notice of appearance filed. I admit I can be paranoid but with good reason.

1/13/2022 E-Mail Luis E. Orengo 8:25 Hi Faith, no worries. My NoA has been sitting in my inbox because I've been out sick. It should be filed today. There's a trial in two weeks?? We need to discuss ASAP.

E-Mail Antonio 2:38 Im sorry, I can't do this. I am not comfortable with relinquishing my case. I would like to rescind the agreement. I really appreciate your time. I have gotten this far and have two months left. I can't let go and then it go sideways again. Thank you again for your time and I really hope you and your family get well soon.

E-Mail Luis E. Orengo 3:35 Faith, we understand and accept your termination of the legal engagement of me and my law firm, Carlton Fields, P.A. We appreciate you considering us and wish you the best of luck in this matter going forward. Based on your decision to terminate our engagement, we will not file the notice of appearance and will not file anything in the matter

The month long delay and the excuses raised red flags in addition to the request of my files after Solomon demanded to know what I had during the November depositions. Orengo's ability to swiftly draft a termination letter but an inability to file a Notice of Appearance because of Covid validated my concerns. I also questioned W

During this time Orengo was involved in (still active) cases in the Thirteenth Judicial Circuit Court - Hillsborough with Donald Kirk who appears in this case in March 2022 (see Doc 811) on behalf of TikTok - Major Conflict of Interest/Concern

Debtor has issued her subpoena with the sole purpose of harassing and annoying Geberth.</p> <p>We would be remiss if we did not point out that Debtor has complained of over and over again in open Court and in many many filings that Geberth has repeatedly threatened and harassed Debtor. So much so, that this Court has taken extraordinary measures to provide additional safeguards during depositions and hearings. Now that it is solely for the purpose to inconvenience Geberth, Debtor wishes him to attend a trial on a matter on which <b>he has no relevant knowledge to any facts that are even remotely related to the issues to be presented at the Tik Tok Trial.</b></p> <p>Geberth's attendance at the Tik Tok Trial would never lead to relevant evidence to the two issues to be presented at trial and the Subpoena should therefore be quashed.</p>

			79	<b>CRUZ-GARCIA:</b> Mr. Kent, I am going to show you what's been pre-marked as Exhibit 1 for identification.
--	--	--	----	--

**KENT:** This is actually the video itself of the TikTok video from Poetic Thought Injustice that I captured.

**ANTONIO:** Well, I object to what the relevancy of the content is.

**THE COURT:** **I'm not taking into account the content.** Unless it's your discussion about what's going on in this case.

			81	<b>CRUZ-GARCIA:</b> Who recorded this Snagit video.
--	--	--	----	---

**KENT:** I did.

**CRUZ-GARCIA:** And why is it that there's a Clock 1 and a Clock 2?

**KENT:** Because I was actually doing business with a company in Ireland, so the Clock 2 is actually related to that particular -- because I was having to call Ireland --

			82	And the only reason I had that turned on is because of the phone calls I was making overseas.
--	--	--	----	---

**CRUZ-GARCIA:** But it's clear that the time of this recording was at 5:16 p.m. Eastern Standard Time on September 30, 2021, correct?

**KENT:** Correct.

The TikTok video says it was posted two hours ago.

**CRUZ-GARCIA:** So in order for us to determine the date and time of when this video was posted to the TikTok platform, what do we have to do?

**KENT:** Subtract that from the actual time. It would make it 3:16 p.m.

**CRUZ-GARCIA:** So based on your recording of this Snagit video, when do you believe that this video was posted on the TikTok platform?

**KENT:** 3:16 p.m.

**CRUZ-GARCIA:** On what date?

**CRUZ-GARCIA:** Mr. Kent, I am showing you what has been pre-marked as Composite Exhibit 16. This is the second video. For purposes of identifying with the Court, it's Composite Video 16, "I'm not safe," and it has a description in our exhibit list with not safe," and it has a description in our exhibit list with the date and it says, "Fight back (indiscernible)." Do you recognize this video, Mr. Kent?

**KENT:** Yes. It's another screen capture that I did on my computer of the TikTok account.

**CRUZ-GARCIA:** And can you tell the Court when you recorded this video?

**KENT:** October 15th at 3:21 p.m.

**CRUZ-GARCIA:** Okay. And does it reflect the date that it was posted on TikTok?

**KENT:** Yes. It says 10/1 --

**CRUZ-GARCIA:** Okay.

**KENT:** -- 2021, most likely.

**CRUZ-GARCIA:** So for this video, we don't have to really look at your calendar and clock, correct?

**KENT:** That's correct. Because if it goes the year before, it'll actually show the full date. It'll say -- if it was 2020, for example, it would have said 10/1/2020, 2019, et cetera

We object.

Please reconsider inviting people to the deposition.

If we cannot agree on some reasonable restrictions, we will have to seek judicial intervention.

Please call to discuss.

Thank you.

2/2/2022 Motion Solomon 589

**MOTION TO COMPEL BETTER RESPONSES**

5 On January 28, 2022, Defendant filed a Notice Advising Court Regarding Order on Defendant's Responses to Plaintiffs First Request for the Production of Documents and Plaintiffs' First Set of interrogatories for the Tik Tok Trial [Doc# 566]. In the Notice, Defendant states that **"the Order makes an incorrect inference** that by not producing native files, Defendant is refusing to provide discovery, in addition, **threatening sanctions is prejudicial towards Defendant"** ( emphasis added).

12 Request No. 5 of Plaintiffs Tik Tok Production Request requested "all documents reflecting the accounting for the funds collected in the Go Fund Me account reflected in "Exhibit "B" of Plaintiffs Tik Tok Production Request [Doc# 535]. Defendant asserted general objections, objected on the grounds that Request No. 5 was irrelevant, and stated Defendant does not possess a Go Fund Me account. Yet again, Defendant stated that she does not have responsive documents to this request.

13 DGP did not allege Defendant's possession of the Go Fund Me account. **Rather, DGP requested an accounting for the funds collected in the Go Fund Me account** reflected in Exhibit "B" of the Tik Tok Production Request. **Exhibit "B", which shows a photograph of Defendant and her sister on a Go Fund Me Account, is clearly a screenshot of a Go Fund Me Account purportedly organized by Defendant's sister in an effort to collect funds on Defendant's behalf.** Likewise, the Tik Tok platform is linked to the Go Fund Me page. A better response is warranted.

*Upset that people are helping with legal fees after Geberth said he knows I can't afford an attorney*

16 The Court itself acknowledged that the issues to be tried at the January 28, 2022 Tik Tok Trial were (i) the timing of the creation and/or posting of the subject Tik Tok videos and (ii) the identity of the individual who posted them. The trial's purpose was to determine whether, for Defendant's failure to appear at scheduled depositions, sanctions more severe than fee shifting are warranted. [Doc# 568 at .i 2].

17 **DGP needs the requested information regarding Defendant's communications related to the creation, recording, editing, posting, uploading, or transmitting of Tik Tok videos** because they are wholly relevant to whether Defendant was too ill to appear at her depositions scheduled for September 30, 2021 and October 1, 2021.

19 DGP has incurred an extraordinary amount in attorneys' fees and costs in defending the numerous filings made by Defendant. DGP is obligated to pay its attorneys reasonable fees for services rendered in connection with this proceeding.

21 Should Defendant continue to refuse to respond to the requests made by Plaintiff in Plaintiff's Tik Tok Production Request, this Court **should strike Defendant's pleadings and enter a judgment of default denying discharge.**

22 This Court should **prohibit Defendant from testifying and from adducing evidence at trial.**

3/14/2022	Trial Transcript		28	<p><b>THE COURT:</b> She has already conceded it was in the nighttime of October the 1st. <b>And if you would like to get the phone to, number one, prove that she's not telling the truth about her ability to provide the native format; and, number two, prove that it was made closer in the time of when she should have been here, I'll allow that.</b> And we don't have an issue now about apparently the day it was made, we may have an issue about the time it was made.</p> <p><b>THE COURT:</b> If they want to spend the money to do it, you know, they want to prove that you're not telling the truth.</p> <p><b>MS. ANTONIO:</b> It's such a waste of resources, that's all.</p> <p><b>THE COURT:</b> <b>It's not your resources; who cares?</b></p> <p><b>MR. SOLOMON:</b> We went to TikTok exactly as the Court suggested that we do, exactly as the rules permit. They have put up all sorts of roadblocks: required us to serve them with a California subpoena, do this, do that, talk to lawyers in Texas and in Atlanta to deal with it.</p> <p>Finally, after begging them to have a conversation with us, they said, well, we'll talk to the Court and tell them there's no jurisdiction. <b>I said, well, can you give us the information?</b> They sent us the letter that we filed.</p> <p><b>They indicated this morning they don't have the -- that this data, that it only resides on the device on which it was created.</b></p> <p><b>MS. ANTONIO:</b> It did not say that in the letter.</p> <p><b>THE COURT:</b> Okay. Listen. That's not what the letter says; okay? So, I don't know anything about that. And the companies that are -- the social media companies, they are very hard to get discovery from. That's true</p> <p><b>THE COURT:</b> <b>Bring the phone. We're having a continuance, so bring the phone.</b></p> <p><b>MR. SOLOMON:</b> -- and what they told us this morning in a conference call when we begged them to be available to speak -- to address the Court, should the Court be receptive to that, was that all of this information resides on the device and that's the only place that it can reside --</p> <p><b>THE COURT:</b> She better. <b>And you can have the E-Hound guy come here and he can have the courtroom all day and sit there and play with it and do whatever he wants.</b> They will be able to determine whether in fact it was associated with a telephone account at any point in time.</p> <p><b>MR. SOLOMON:</b> And what is the procedure by which -- for E-Hounds to do that? <b>I don't know where they do that, how long they need to do that. Can we entrust it to E-Hounds,</b> pursuant to an order of the Court, and let them do their thing and respond to us and be the custodian of that so that there isn't any question about that? She could deliver it directly to E-Hounds.</p> <p><b>THE COURT:</b> I think you need to find out. I think they bring their bag of tools here and they can just do it --</p> <p><b>MR. SOLOMON:</b> If that's the way they do it, that's fine. But I just don't want to leave it -- I don't want to have to come back and argue about how it's going to happen, that she'll hold it up and say here --</p> <p><b>THE COURT:</b> No, no, no. <b>She hands it to them. She's present in the room.</b> If she wants to hire an E person to watch what's going on, that's fine too.</p> <p><b>MR. SOLOMON:</b> <b>Tabithaann said that she had posted it from -- she had transferred it from Ms. Antonio's drafts to her --</b></p> <p><b>MS. ANTONIO:</b> <b>That's not true.</b></p> <p><b>MR. SOLOMON:</b> -- to Tabithaann's device and posted it from Tabithaann's device.</p> <p><b>MS. ANTONIO:</b> That's not true. She --</p> <p><b>MR. SOLOMON:</b> That was what she testified as trial.</p> <p><b>THE COURT:</b> Wait a minute. Do you have a transcript from the trial?</p> <p><b>MR. SOLOMON:</b> <b>Page 141, line 8: "When you post the videos on the TikTok platform, what device are you posting the TikTok videos on?" "Answer, line 10: Using my phone." So, then I asked her the question at the deposition after she found out --</b></p> <p><b>THE COURT:</b> Who was speaking?</p> <p><b>MR. SOLOMON:</b> Tabithaann.</p> <p><b>THE COURT:</b> Okay.</p>
			33	

MR. SOLOMON: And at Tabithaann's deposition, the end of last week, she changed her testimony and said: "Oh, I was posting it from Faith Antonio's cell phone." And that could only happen because they saw footnote 5 of our motion that identified the impossibility of transferring the TikTok draft from one device to another.

(Depo transcript at The Reporting Firm was not offered for review)

THE COURT: Okay. You can bring her in because here's where it is relevant. **It's -- maybe it is on that phone, and you need to have the native format from that phone too, which is not something that she controls necessarily.**

MS. ANTONIO: This is just hearsay. Unless she's in here to corroborate what actually happened, he should not be permitted to make a grand gesture of --

48 THE COURT: Okay. They are in search for native format of a particular video and it does have her face on it. The record is unclear about whether you posted from your phone from a device owned by Ms. Antonio and so the Plaintiff wants to figure out where that particular video is housed. **Do you have any objection to allowing a forensic person to try to find a video that has her face on it in your phone?**

GREGOR: Absolutely.

THE COURT: You do?

GREGOR: Yes.

THE COURT: It's a particular one, not just any one.

GREGOR: I don't want anybody in my phone. I have tons of personal information in there.

THE COURT: Okay. I will think about this, Ms. Antonio. You can save her from some things if somebody will somehow find the right device.

49 MR. SOLOMON: **I don't think it's fair to limit us just to that one that we've identified as having been done on October 1st --** prepared on October 1st. Because if we're not going with the posting but with the creation, there may have been other videos created that day and not posted.

THE COURT: -- **that case that says that the discovery sideshow is eclipsing the circus, it's really happening.** What did she do all day long on both of those days? That's what you want to know. It's --

MR. SOLOMON: **Well, she was posting comments --**

THE COURT: She was posting --

MR. SOLOMON: -- **all day every day.**

3/16/2022 Motion TIKTOK 811

**TIKTOK MOTION TO QUASH**

In short, there is no dispute that this Court can resolve a discovery dispute between the underlying parties in Florida. However, **this Court's Order exceeds its jurisdiction by ordering overnight discovery from a non-resident non-party. This Order is an end-run around mandatory and statutorily protected court processes under Florida's Uniform Interstate Depositions and Discovery Act and California procedure.** See FLA. STAT. ANN. § 92.251.

As explained in the attached petition to quash the California subpoena, **the subpoena did not provide adequate time for TikTok to respond, seeks information protected by federal law, and is overbroad and implicates consumer privacy concerns, among other issues.** The fact that the **underlying parties have claimed** to need different requested information from TikTok over time—and **provided TikTok and this Court ever-changing and evolving justifications (and objections) for each new variant**—is precisely the reason why a California court must be permitted to (1) address the sheer breadth and ambiguity of Plaintiff's underlying subpoena, and (2) protect TikTok's rights and potential consumer rights in doing so.

Ms. Garcia,

I was not available yesterday afternoon/evening. As I had mentioned before, I will not be supplying my current address to your office and no longer live in the area. If you take issue with the Address Confidentiality Program, I can refer you to the Florida Statutes that protect me as your client. Daniel Geberth, previously had a final injunction granted against him. I have every right to protect myself from further future harm as a victim of domestic violence.

It came to my attention that, although I had not the opportunity to respond, you had sent this runner to my sister's home attempting to drop off exhibits after 7 pm, including ones I already have.

Questionably your runner also took various pictures of my sisters home while arriving and leaving, that was documented by video and of great concern.

My sister is currently holding mail for me and is the mailing address for this proceeding. The local rules state all exhibits should be supplied 7 days prior and rules should be followed unless permitted by the Court. Should you decide to seek leave to correct this deficiency, as I would now understand that service of these exhibits is admission that they were not included originally.

I request that you do not continue the practice of sending persons to the homes of my relatives without advanced notice. I appreciate your attempt and do not have the availability to arrange for my own representative to come to your office at this time as I am preparing for trial. I had already committed to the expense and fees from Pacer of obtaining these records.

Thank you,

Faith Antonio

Not that I am a Johnny Depp fan. I can totally relate to that compulsive Liar Amber Heard. I am dealing with all the same nonsense. 7 day trial thus far. I was accused of rape. Lied and said she took my daughter in for an abortion when she was a minor but when pressed on it could not answer a single question about it. Never worked for me and everyone knows she did. I guess Johnny was digging into her private part looking for cocaine. lol. He sexually abused her and I was accused of that also. There is even a GoFund me page they set up and are scamming people for money. Liars. I call it the clown show. Very wicked, vicious, evil, cheating, thieving, Compulsive liar. I call IT Jezebel or Satan himself. No empathy and takes no responsibility for their actions. None. Pencil neck kids are collecting unemployment from jobs I got them. No appreciation at all. They weren't fired just never came back to work. Lied and said my friend provided unsafe work conditions. Apple doesn't fall far from the tree. You

Dealing with I had to the last 2 days. It is incomprehensible. Like asking a kid if they ate the cookie and you know they did. They just keep saying I don't know. I don't remember a day ago. It wasn't me. Backtracking liar. Disgusting human being taking up perfectly good oxygen. My wife came with me today so she can see what I'm dealing with. She was mentally drained listening to it. **INTERVIEW:**  
I spoke with [REDACTED] who advised she got to work at approximately 0919 hours and there was no damage to her windshield, but when she left work at 1513 hours, there was a large crack to the windshield. [REDACTED] stated she did not see what happened to it. [REDACTED] advised Daniel thought his ex could have been behind it. [REDACTED] said she was scared of Daniel's ex, so I explained to her how to file for an injunction.

**INTERVIEW:**  
I spoke with Daniel Gerberth who advised the damage to the windshield would cost approximately \$3500. Daniel stated he believed his ex, Faith Antonio, did this. Daniel said he has a long ongoing court case with Faith because she was embezzling from his business and has also been harassing him. Daniel spent the majority of the interview trying to explain to me why he was taking Faith to court, and cited reasons like he saw her shopping at "his" Publix even though she lived thirty minutes away, she owns guns, and social media interactions. Daniel said he made a Facebook post yesterday (05/10) about how he was tired of the ongoing court process, but did not specifically name Faith, then Faith posted it to her TikTok account. Daniel said that happened yesterday and now [REDACTED]'s car was damaged. Daniel stated he did not know where Faith currently lived or a phone number for her. Daniel described Faith as a black female, approximately 5' 6", 115 pounds, black hair, [REDACTED].

**He was intentionally misrepresenting my appearance to target me. He also referred to his post 5/10 when it was really posted on 5/7/22, I reposted on 5/8/22**

On 05/11/2022 at approximately 1950 hours, I was dispatched to 3150 Little Rd, New Port Richey, FL, 34655 in reference to a criminal mischief delayed. The call notes stated the victim was currently at 15328 Black Gold Lp, so I responded there.

Upon arrival, I spoke with [REDACTED] who provided the above listed interview.

I spoke with Daniel Gerberth who provided the above listed interview.

Daniel showed me the dash camera footage from when [REDACTED] arrived at work, which clearly showed the windshield had no damage. He also showed me the footage from when [REDACTED] was leaving work and the crack across the windshield is seen. The camera does not operate while the car is off, so there was no footage of the incident happening.

*I don't know anything about his wife nor care. Why would I even want to do this to someone? And why would you take pictures and drive the car home hours later before calling police?*

5/12/2022 **PasCSO Report** Sharon Geberth 22-016427 On 05/12/2022, I responded to the parking lot area behind 3150 Little Rd, New Port Richey, FL, 34655 in reference to finding possible surveillance cameras that would have captured the criminal mischief incident.  
I observed two cameras in the vicinity, but neither of them were positioned in a way that would have shown [REDACTED]'s car where it was parked. The cameras may have captured someone's vehicle driving through the back parking lot, but would not show the alcove area where [REDACTED]'s car was.  
I attempted phone contact with [REDACTED] to ask if they knew what vehicle Faith drove, but received no answer.

5/15/2022 [Petition](#) Daniel Geberth Pasco Inj **DANIEL GEBERTHS PETITION FOR INJUNCTION AGAINST STALKING**

Started on Nov. 11, 2019. Where I discovered the respondent was embezzling money from my company, I filed a Civil Suit. Case # 8:20-bk-07637-CPM in Tampa bankruptcy court for embezzlement. She has filed several frivolous court cases against me. The judge Catherine Peek McEwen ordered she was no longer allowed to file motions without the court's permission. She was also sanctioned recently for not following court orders. On 2-6-2020 I was in court for a domestic injunction she filed. I have proof she drove into my neighborhood on 2-4-2020. That case was denied, and all the others. Ms. Antonio is stalking all my social media accounts and my wife's. Also coming to my local shopping centers. I saw on the subpoena from her bank accounts when she is in my neighborhood. Ms. Antonio and her whole family are blocked from seeing my social media. One post was of a harmless post I made of a custom Glock handgun I own showing my friends, and she ran to the Pinellas County SA office 260 days after I posted it. Stating she is in fear of her life, and I am coming after her. They initially charged me with a ridiculous crime. When someone read the nonsense, she handed in it was immediately dropped. Ms. Antonio and her sister Tabithaann Greger started a GoFundMe page claiming I was sexually abusing her / coercion. She also told Pinellas County Judge Brian Grage, I raped her on a cruise we went on in Sept 2019. I am not the only person she has accused of this crime. She also stated in a deposition that she took my then minor daughter in for an abortion whom she had no legal guardianship over or could make medical decisions. My attorney immediately questioned her and could not answer a single question. Ms. Antonio is taking my recent posts now and putting them on her Tik Tok platform where she has over a hundred videos up. Calling my name specifically and putting up my sensitive bank information. One video was of someone she tried to make in my likeness. The day after I posted a post on 5-11-2022 she reposted it and someone vandalized my wife's car case # 22-016427 on 5-12-2022. I posted a video my wife made. Ms. Antonio then put it on her Tik Tok page deceiving people that it was her car. Asking the question Am I safe. Stating she is going to file a criminal report. Claiming we are framing her. She purchased a gun on 1-7-2020 from Reload and then 3 days later was at my Public shopping center which is a 1/2 hour from her most recent residence. I have more proof on

her bank statements coming into my area. I was recently married on 12-10-21 and she knew I was and we went to Hawaii. My wife posted it on her FB account and is private. She has been claiming that I have been stalking her from day one without a shred of evidence. Also claiming I am a drug addict. I had an opiate addiction over 7 years ago and have docs screens from my doctor proving I am not. I found on her statement where she purchased an MDMA / Ecstasy drug test kit from elevation chemical on 6-5-19. I have emails she has handed in to the courts where I can show she altered them. Filed complaints against everyone. My attorneys, her attorneys, my private eye, and proof she was stalking me with fake Facebook profiles.

The big problem is she is using Tik Tok and social media to harass me and she has over 8307 followers to date. I am being harassed, my business, my family, bad google reviews, YouTube etc. I and my wife are fearful especially now that her car was vandalized. The comments people are making. I do not have Tik Tok, but my attorneys monitor her account. As some of my friends inform me and I have the texts they send me after she reposts my posts. I feel it is very unsafe stalking me on Tik Tok not knowing what kind of lunatic could be on there. Ms. Antonio is abusing the court system filing frivolous suits and court motions. I have proof she was coming at me on Facebook with fake profiles. I connected her to it by an email address she created in one of the eleven fraudulent QuikBooks accounts she created and PayPal that I received through subpoenas. My attorney specifically asked her if she knew who this made-up CPA Marca Shultz was, and she blamed it on the fake profiles. Trying to put the blame on me that I created them. I also have a post she made saying she hearts her favorite DJ Markus Shultz. She is Pro Se taking paralegal courses, so it does not cost her any attorney fees. I have all the proof to prove all my claims. Ms. Antonio's attacks have increased since my marriage. Her hostility & bitterness can be seen in all the court transcripts and court dockets she files. Her Tik Tok is @poeticjustice. You can clearly see this is not a mentally stable person in the videos. She has told two judges she wants to kill herself was also Baker acted for writing a suicide note. It is all in the transcripts I have. I am afraid she will come after my wife. Ms. Antonio does not work where I have a full-time business to run and do not have the time for any of her nonsense.

I am happily married, and I think my wife would have a big problem if I were stalking her as she always claims. I need the courts help to stop this harassment. There is so much more, and I can prove it all. All the aliases she uses or used, PO Boxes, Addresses, Ms. Antonio's children even have aliases and are listed in different states but one thing in common. All the addresses start with 1728.

"Ms. Antonio and her sister Tabithaann Gregor started a GoFundMe page claiming I was sexually abusing her/coercion. She also told Pinellas County Judge Brian Gnage, I raped her on a cruise we went on in September 2019. I am not the only person she has accused of this crime."

**Faith Antonio**  
**She's posting on Tik Tok playing the victim. Calling my husband an abuser and a stalker without any evidence at all.**

She's putting my family's life in danger by posting on the Tik Tok platform about me and my husband. She is stalking both our pages. I live in constant fear for my safety, I'm afraid of her followers might harm me and my family. My car was recently vandalized 5-12-22 case #22-016427

She claims that she's being bullied and harassed. She's telling everyone that my husband is harassing her followers when she's the one who is having people harass my husband and his business. She's trying to destroy us. Non-customers leaving bad google reviews calling him a stalker and a women abuser. She needs to stop! She's putting my family's life in danger!!! I don't feel safe because she is trying to instigate someone into harming my family. My new last name is a very uncommon name. I have seen the transcripts that she told 2 judges she wants to kill herself and was baker acted. My husband showed me on her bank statement that she purchased a gun. Her @poeticinjustice is very disturbing.

On 05/22/2022, I returned to duty and had received two voicemails from Daniel. Daniel stated he did not know what kind of car Faith would be driving and it could be any car. The only other information Daniel had to provide was that Faith was still reposting his social media posts and how "this was the kind of person he was dealing with."

Due to the cameras not being positioned to have captured the incident and no evidence linking Faith to this incident, I request this case be inactivated until any further information is obtained.

6/8/2022 E-Mail Antonio & Inj Attorney

I just spoke with Dep. Rodriguez, he said he did not intend any harassment. He said that one of the boys first said Faith was there, but then came back immediately and said she was not. He told his supervisor and also told him that the boys said she does not live there. Supervisor told him to go back at a different time. Second time, he just left a card. After the third time, he sent the paperwork back to Pasco, "undeliverable". But, he said he only had one case. The first woman I spoke to said there were two cases. So maybe these guys have the other case and are following through with their 3 attempts. I told the deputy that Faith is a victim of DV involving the petitioner. He said he was so sorry, and just doing his job and following procedure. He said the only reason another deputy would be going out is for another case, as I said above. He asked me if I was sure it was not a private investigator. He also said that the house is not in his jurisdiction, which is another reason why someone different would go out. He was filling in. I told him what the deputy said about "catching her". He cringed. How many times has the second officer been out there?

The woman that I spoke to twice, the one that told me there were two cases out of pasco and that Dan was the petitioner, said they were valid Hillsborough case numbers. That is how she was able to tell me the above, and that they were civil cases. But, that is obvious because Dan is the petitioner, not the State. I believe that Dan filed petitions for injunctions, trying to keep this going because the bankruptcy case will end next week. Injunction cases are the only civil cases that will not show up in the clerk's document check until the respondent is served.

**THE COURT:** Okay. I was critical of the screenshots, as I remember.  
**MS. ANTONIO:** Yes. And I was asking, because they only provided 14 -- screenshots of only 14 transactions, and I was requesting their version instead of --  
*[DGP'S QUICKBOOKS FILE NOT INTUIT]*

92 **MS. ANTONIO:** ...where we had a hearing on for them to show where you can click on it and it brings the whole thing. And they responded by saying that they no longer had access to the QuickBooks Online account. So you put an order in requesting Intuit to reopen it so that they could produce these documents.  
**THE COURT:** Okay. So now what's your question?  
**GEBERTH:** I don't -- I have no idea what she's even talking about, honestly.  
 \*\*\*\*\*  
**THE COURT:** Okay.  
**GEBERTH:** Screenshots? It's like, yeah, I took plenty of screenshots of stuff. **I took screenshots of pictures, TikTok, everything I've taken screenshots of, so --**  
**BY MS. ANTONIO:**  
 Q Mr. Geberth, do you remember this email of November 11th (sic), 2019?  
**GEBERTH:** Not really.

Q So you don't remember reading this?  
**GEBERTH:** It's so long, I'd have to read the whole thing. And I really don't recall it, honestly. There's probably more to this. If there is, this is just one part. This is probably a chain of emails if there's more to it.  
 Q This is also your exhibit.  
**GEBERTH:** Oh, this -- yeah, there is more to this. So if you read to the bottom where it says, "I have not a single reason to be nice to you after all the shit you have done over the course of the year, and it all started when you stole all that money from me. Thousands and thousands of dollars. That vacation was shit and you pissed me off so many times."  
**GEBERTH:** Yeah, I was referring to that year. You pissed me off so many times, I had to go sit in the cathedral on the cruise ship to get away from you, because you really --  
 Q So it's saying that from -- accusing me from previously prior to November 11th, 2019?  
**GEBERTH:** No, I was referring to that year.  
 Q Do you remember **May 28th of 2019** that we had an argument?  
**GEBERTH:** No.  
 Q You don't remember you were upset because I went to a music festival with my girlfriends?  
**GEBERTH:** Oh, when you were taking Ecstasy and stuff like that?  
 Q Objection.  
**GEBERTH:** No, I don't remember the argument.  
 Q Really.  
**THE COURT:** Who objected?  
**MS. ANTONIO:** I objected. He said, "Oh, because I was taking Ecstasy." Really?  
**GEBERTH:** Yeah, **I have it on your bank statements.**  
**MS. ANTONIO:** Stop. Stop.  
**THE COURT:** Hold on. Do you remember an argument?  
**GEBERTH:** Not really, I don't.

*Test to see if he had Fentanyl Found In His Home*

**BY MS. ANTONIO:**  
 Q Do you remember a text to Ms. Antonio saying, "Because I will literally lose my temper, and I already did. I have never cheated on you. Stop assuming I did, because you are completely wrong. **While you always complain about your RA,** I would rather have that than back and neck issues. At least there is medicine you can take for it, but you refuse to." Do you remember saying that?  
**GEBERTH:** No, I don't.  
 Q And so this says, "I don't like being lied to, I don't like you being sneaky, **I never say no to anything you ask. You wanted a cruise and I suggested we do something different. I always pay for everything. Don't tell me that you haven't been out in a year. If you really wanted me to go out, I would say no. Last minute BS is because you didn't want me there.**" Do you remember saying that because you were mad that I went out?  
  
**GEBERTH:** (No audible response.)  
 Q No.  
**THE COURT:** Was that a no?  
**GEBERTH:** No, I don't even see what the relevancy of is -- **like I don't remember the email. I don't remember most of these emails.**  
**THE COURT:** You don't remember.  
**GEBERTH:** No. I mean, it sounds like something I would say -- I don't know, I'd have to read it again.

Antonio's Petition Cont'd to Aug 15, 2022

8/5/2022

**RESPONDENTS MOTION TO DISMISS**

**PROCEDURAL HISTORY RELATED TO DV PETITION**

6. Petitioner has repeatedly posted audio, transcripts of proceedings, and documents from all court proceedings on her social media accounts. Petitioner posted recordings containing the voices of the Honorable Catherine Peek McEwen, Honorable Peter Ramsberger, and Honorable Brian E. Gnage on her Tik Tok account @poetic.injustice.

7. On October 1, 2021, Respondent advised the bankruptcy court of the audio recordings of court proceedings posted on social media. A copy of the Notice<sup>2</sup> is attached hereto as Exhibit "A".

8. On October 1, 2021, Judge McEwen entered an Order to Show Cause why Court Should Not Impose Sanctions Against Petitioner for Allegedly Broadcasting on Social Media a Recording of a Court Proceeding (the "**Order to Show Cause**"). Judge McEwen ordered Petitioner to immediately take down any recordings of the bankruptcy court proceedings. A copy of the Order to Show Cause is attached as Exhibit "B".

<sup>2</sup> Notice of Advising Court of Audio Recording of Proceedings Posted on Social Media.

9. Petitioner complied as ordered and removed the recordings of the bankruptcy court proceedings but kept the state court proceedings related posts on her social media account including many many videos against Respondent and his business. Many of the social media posts mention Respondent by name.

10. Respondent has repeatedly advised the Honorable Catherine Peek McEwen that Petitioner's social media posts were impacting his reputation and business.

11. On May 16, 2022, after several of Respondent's private social media posts were broadcasted by Petitioner on her Tik Tok account, Respondent and Respondent's wife, Sharon Geberth, filed separate Petitions for Injunction for Protection Against Stalking.

12. Respondent's Petition for Injunction for Protection Against Stalking in Case No. 22-DR-002476 from Pasco County (the "**Pasco D. Geberth DV Case**") was scheduled for a hearing to hear the merits of the petition on May 27, 2022.

13. Sharon Geberth's Petition for Injunction for Protection Against Stalking in Case No. 22-DR-002475 from Pasco County (the "**Pasco S. Geberth DV Case**") was granted on a temporary basis and was scheduled for a return hearing on June 3, 2022. (Collectively the "**Pasco DV Cases**").

14. The hearings on the Pasco DV Cases were continued several times because of lack of service of process of the initial papers.

15. On July 8, 2022, Petitioner was finally served in Pasco County, Florida. Copies of the Pasco County Returns of Service are attached hereto as Composite Exhibit "C".

16. Both return hearings on the Pasco County domestic violence cases against Petitioner are scheduled for August 12, 2022.

17. On July 19, 2022, Petitioner then filed the Pending DV Petition.

**"The hearings on the Pasco DV Cases were continued several times because of lack of service of process of the initial papers."**

33. The Adversary Proceeding has been highly contentious with a docket that spans over 950 entries, mostly filings by Petitioner. As a result of Petitioner's repeated filings deemed by the Middle District Bankruptcy Court to be wholly frivolous and after several warnings, Judge McEwen ordered a screening injunction.

35. On March 18, 2022<sup>11</sup> and June 24, 2022<sup>12</sup>, Judge McEwen admonished Petitioner for her continued attempts to raise irrelevant state court litigation related to the Injunction as they served no other purpose than a misguided attempt to influence the court and unfairly prejudice Respondent. Those same allegations are now raised in the Pending DV Petition. Copies of the two Orders are attached hereto as Composite Exhibit "J".

36. The parties have been in trial in the Adversary Proceeding since April 25, 2022. While it is true that the parties are still in Respondent's case in chief, this matter has been delayed by Petitioner's antics in court. Thus far, the parties have attended nine (9) days of trial.

**"for her continued attempts to raise irrelevant state court litigation related to the Injunction as they served no other purpose than a misguided attempt to influence the court and unfairly prejudice Respondent."**

51. The allegation in the Pending DV Petition either refer to events too remote and already adjudicated upon or acts that she promoted on her own social media accounts. See *Magliore v. Obrenovic*, 308 So. 3d 258 (Fla. 2<sup>nd</sup> DCA 2020) (alleged incidents of violence occurring more than a year before the domestic violence petition were too remote to create a reasonable fear of imminent violence); *Gill v. Gill*, 50 So. 3d 772 (Fla. 2d DCA 2010) (alleged incident occurring 14 months before filing of domestic violence injunction petition was insufficient to create reasonable fear of imminent violence).

8/18/2022 Order Pasco Inj

#### **No Contact The Geberths v Antonio**

In the interests of justice and prudence, the Court hereby decrees and adjudges that:

1. Faith Antonio shall have absolutely no contact whatsoever with either Sharon Geberth or with Daniel Geberth in any way, shape, or form. This absolute restriction on any and all contact is intended to preclude and shall preclude Faith Antonio from going to or near any location or site at which Faith Antonio knows or has any reason to believe that Sharon Geberth or Daniel Geberth will be present. This Order shall not preclude matters protected by the First Amendment, but shall serve to prohibit absolutely any and all direct or indirect communications, messages, contacts, references, and any mentions by Faith Antonio to, of or about Sharon Geberth and Daniel Geberth or either of them. Specifically and without limitation, this prohibition encompasses any and all "calls to action" and any other communications that intended or reasonably likely to cause or even suggest to others that others should act in a manner violative of or inconsistent with the restrictions imposed hereby upon Faith Antonio.

Ms. Babiarz,

We represent both Daniel and Sharon Geberth. You represent Faith Antonio.

We would like to depose Ms. Antonio within the next ten days. We anticipate needing about three hours (maybe four hours) to complete the deposition. We are willing to schedule the deposition on a weekend if that is easier for you.

Please provide to us dates on which we may depose Ms. Antonio. Unless you provide to us available dates by Monday COB, we will go ahead and pick a date convenient for us.

Thank you.

Mr. Solomon,

Good morning. Unfortunately, there is a chunk of time that I will be out of office (and the state) for some personal matters. My first availability would be the week of September 12, 2022. Because I work for a domestic violence center, I don't have weekend availability. I also try to avoid scheduling matters for Tuesday and Friday because those are my court days. I would propose either 9/12, 9/14, or 9/15.

In full disclosure, Ms. Antonio will likely not want to be deposed, so, I anticipate filing a Motion for Protective Order. We haven't discussed it yet, but based on my review of the prior cases, I assume I will be drafting that after your notice is filed.

Additionally, I forwarded your request for dates to Ms. McHugh. Because she remains the attorney of record in Ms. Antonio's case as petitioner, I want her to have a chance to give input. I have also copied her on this response.

Finally, have you obtained any dates yet for our next hearing date?

Kind Regards,

**Elaine M. Babiarz**

Mr. Solomon,

Unfortunately, I also have limited availability until 9/12. Your client still has Ms. Antonio tied up in bankruptcy court until 9/1, so she is also not available within the next 10 days. I am available on 9/12 and 9/14. However, I also anticipate a Motion for Protective Order, given the history of both the prior DV case and the bankruptcy case.

Please include me in any correspondence discussing the hearing date, as the three cases have been consolidated in front of one Judge.

Thank you, Karen McHugh

8/23/2022 E-Mail Solomon

The cases have not been consolidated, at least not as of this point. Are you proposing consolidation?

Under the circumstances, we are entitled to and really must depose Ms. Antonio as soon as possible. Please provide to us today several available dates within the next 30 days for a two-three hour deposition of Ms. Antonio. The deposition will be in person and videotaped.

We look forward to your timely response.

Thank you.

Hearing

Solomon

**SOLOMON:** The question really is: What's credible? **This case is about lies and deceit.** And this case has progressed to what is now Day 12 of the trial, through a series of lies and deceit. We've demonstrated, I believe, nothing but professionalism and a conviction and dedication to the cause that we have asserted.

We have offered many accommodations throughout the entire proceeding. We have been met with nothing but insults, TikTok exposures. My voice, my name is on her TikTok. **She has been insulting to every one of us as we have gone through the case, as has Ms. Gregor.** You were at depositions. I can't believe -- you didn't say anything, but I can't believe that anybody observing the depositions would believe that the behavior of the deponents that did show up, which were few and far between, was reasonable.

We have been very accommodating. She tells court personnel here and in state courts all over the state -- that's an exaggeration but it's in the two counties that she's been filing proceedings -- that we are somewhere below respectable people that we are and have conducted ourselves. She comes with an entourage.

In this case, we have really imposed upon Mr. Kanter, our expert, to set aside days for depositions that she's cancelled; produced documents that she hasn't picked up; scheduled times to talk informally that she's passed up.

I'm trying to use vanilla language, there is no purpose in charging it up with charged language -- but the things that they've said are not true. They say they go to the hospital, they say that it's an emergency.

**MR. SOLOMON: What about if it's proven that this is a charade --**

**MS. GREGOR:** It is not a charade, sir.

**MR. SOLOMON:** -- that the stuff that's going on yesterday and today --

**THE COURT:** Mr. Solomon, you know, you're exhibiting what I've just said: There's a high degree of mistrust.

**MR. SOLOMON:** Well, I understand that but I'm saying that this is a huge inconvenience to us. There should be some balancing.

**THE COURT:** Okay, I understand. The balancing is due process. I said it's fact-intensive. I don't think someone would subject themselves to a medical bill for an ambulance and an ER that's got to be thousands of dollars just as a sham.

**MR. SOLOMON: Well, I think it needs to be proven.** I think if you take the prior experience that we've had in this case, in this case, I think that it's subject to question, we question it.

**THE COURT:** You don't think she went to the Emergency Room at Tampa General?

**MR. SOLOMON:** I think she went to the Emergency Room. **I don't think it was a legitimate visit. I think it was all manufactured.**

**THE COURT:** Mr. Solomon, they kept her there.

**THE COURT:** I'm asking for constructive input.

**MR. SOLOMON:** And we would like to come up with something constructive. **But at the end of the day, we asked you to strike her pleadings because of the shenanigans that we thought existed on the first major go-around of this TikTok that cost a fortune to get to and, at the end of the day, we think we've proved our case. And we still didn't get -- we got some affirmative defenses kind of mooshed but, at the end of the day --**

Subject: RE: Geberth/DVI: DEPOSITION OF FAITH ANTONIO

**The Florida Bar's Guidelines of Professional F(2) states that: When scheduling depositions, reasonable consideration should be given to accommodating schedules of opposing counsel and deponents, when it is possible to do so without prejudicing the client's rights.**

Ms. Murfee,  
I received your email 20 minutes ago.  
I am currently scheduled for depositions on September 12<sup>th</sup> and as such, I am unavailable on this time and date. Further, Ms. Babiarz is out of her office at this time and cannot be consulted regarding coordination of this deposition. The Solomon Law Group is on notice that we object to the September 12<sup>th</sup> deposition that your office unilaterally scheduled at 7:21 p.m. on Friday, 9/2/2022. Please be advised that we are unable to attend, due to prior commitments, therefore, neither Petitioner, nor her attorneys will be present at the above date and time.

DGP/Solomon Law never produced any evidence that I was employed, admitted to having no employment records and it was completely ignored that I have health issues and am on disability and a Court demanding my private health records violating my privacy rights. Please tell me how any of this makes sense. And to be ordered to do ASAP this when I was exhibiting neurological symptoms!

11/2/2022 E-Mail Geberth \* Arciola

**Geberth:** Ms. Arciola. When am I going to get my day in court. **This case should have been over in April.** Stevie Wonder and Ray Charles can see she is lying. Her fake hip surgery funny how she does not set off the metal detector. Call an ambulance and then admit yourself to the hospital to avoid court. When does it end I'm tired of wasting my money and time on this. **This will be the 1st time in history someone came to the bankruptcy court not bankrupt but bankrupt by the judge dragging this out.** I've been treated like Al Capone from her lies. **She has filed 4 red flag laws on me littered with lies costing me 400k to defend myself.** When do I get to finish this dragged out BS. Johnny Depp and Amber Heard's case was 2 years shorter. I never lived with her. No kids and never married. This is a disgrace.

**Arciola:** We are not permitted to accept ex parte communications and we are therefore copying your counsel and likewise to the opposing party with this response. I communicated with your counsel on their/your availability for the rest of the year back in September. Based on the availability of all concerned, the trial will likely resume in early to mid February. A scheduling order and some others are pending finalizing.

4/26/2023	<b>Initial Brief</b>	Solomon Howard	2da Florida		<p><b>DANIEL ALAN HILTON GEBERTH'S INITIAL BRIEF</b></p> <p><b>Respondent and Petitioner were romantically involved for five and a half years, from mid-2014 to November 2019 [R. 471-72]. Their break-up was not amicable [Id.].</b> Since the break-up, the parties have not spoken or otherwise interacted directly, but and have been involved in multiple legal disputes including a state court civil case and an adversary proceeding in bankruptcy court [R. 244].</p> <p>1</p> <p><b>The Adversary Proceeding has been highly contentious, with a docket comprised of more than 950 entries, the vast majority of which are filings by Petitioner [R. 107]. As a result of Petitioner's repeated filings deemed by the Middle District Bankruptcy Court to be wholly frivolous and utterly ridiculous, after multiple repeated warnings, Bankruptcy Judge Catherine McEwen entered a screening injunction that required Petitioner to seek court permission before Respondent was permitted to file anything in the adversary proceedings. [R. 74-76].</b></p> <p>3</p> <p>On March 10, 2022, Bankruptcy Judge McEwen entered in the Adversary Proceeding a screening injunction directing Petitioner <b>"to immediately cease and desist the sniping, nitpicking, and stonewalling"</b> and stating that Petitioner <b>"continue[d] to unfairly multiply the disputes in [the Adversary Proceeding] and unnecessarily consumes the Court's time on trivial and petty complaints"</b> [R. 138-40]. Finally, Judge McEwen ruled that: To prevent the filing of any more delay-inducing or near-or totally meritless motions, Defendant Faith Elizabeth Antonio MAY NOT FILE any more motions or papers seeking affirmative relief without first asking this Court's permission to do so.</p> <p>6</p> <p>On March 18, 2022, Bankruptcy Judge McEwen entered the Order (I) Denying [Petitioner's] Motion for Leave to File Amended Notice Advising Court of [Respondent's] Service of Court Documents Related to the Posting of TikTok Video titled "Temper Tantrum", (II) Directing [Petitioner] <b>Turn Over Her Cell Phone Directly to E-Hounds, Inc. for Forensic Analysis</b>, and (III) Extending the Screening Injunction as to Future Filings of Faith Elyzabeth Antonio (the "3/18/2022 Order") [R. 141-43].</p> <p>The 3/18/2022 Order states in pertinent part:</p> <p>[Petitioner]'s filing of the Motion for Leave in the first instance and <b>the tone of her near rapid-fire response to [counsel for Respondent]'s email seeking basic inquiry of E-Hounds, Inc. . . . are a complete overreaction</b> and further example of her seeking recourse from this Court for the most petty of complaints that led to the issuance of a screening injunction against her. <b>[Petitioner]'s continued attempts to raise irrelevant state court litigation that she concedes has terminated shall no longer be countenanced by the Court.</b> Such attempts serve no purpose other than a misguided attempt to influence the Court and unfairly prejudice Respondent.</p> <p>On June 24, 2022, Bankruptcy Judge McEwen entered an Order (I) Denying [Petitioner]'s Motion for Leave to <b>File Notice Advising Communication by Witness</b> and (II) Striking Motion from the Record (the "6/24/2022 Order") [R. 144-45]. Specifically, the 6/24/2022 Order states in pertinent part: [T]he Motion, though it purports to comply with the screening injunction imposed upon [Petitioner] by the Court, violates the scope of that injunction, if not in fact than certainly in spirit. By order entered March 18, 2022, the Court expanded the scope of the screening junction to prohibit [Petitioner] from filing any paper that, inter alia, referenced the state court injunction litigation that had preceded this litigation. <b>The Court noted that [Petitioner]'s repeated attempts to raise that litigation "serve no purpose other than a misguided attempt to influence the Court and unfairly prejudice the [Respondent]."</b> The Motion, while it does not reference the prior state court litigation, raises similar allegations of harassment that were at the center of that litigation.</p> <p>7</p>

I never try to persuade a client to settle a case, if the client absolutely does not want a settlement. #2- A fair settlement should have some benefit to each party in addition to something that either party does not like.

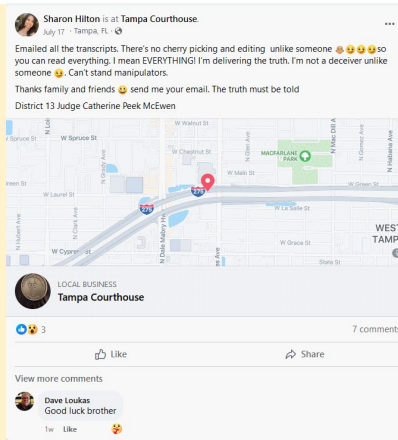

7/8/2023 Answer Brief Antonio 2DCA

Arguments that Petitioner "specifically stated that the relief in Section IV, 2b of the Petition regarding contact with employer or school was not applicable to her case because Petitioner neither works nor studies," is wholly unsupported by the record and factually untrue. [IB. 42]. He also takes issue with the inability to contact Petitioner's employer or school, the inability to go within 50 feet of Petitioner's residence, place of employment, school, or places where Petitioner may frequent. [IB. 42-43]. This argument is very troubling. If the Respondent really wants the courts to believe that he has no future intent or desire to harass and stalk the Petitioner, the terms of the injunction should be a non-issue. Respondent is telling this court out loud that he has a desire to continue his pursuit to harass and financially harm Petitioner.

**POV Three years of legal abuse and the damage to your health when you have an autoimmune disorder.** He falsified business records, stole my identity, and harassed me through the courts. Suppressing evidence and creating false evidence for a civil case does not prevent a criminal investigation against all those who have conspired with him after verbally threatening to destroy me. I have had severe RA for ten years that he claimed he did not know and apparently he knows better than my doctors. Upon acknowledging there may have been some fraud on his part, the court failed to protect me as a disabled citizen and should have forced him to prove his claims. After spending over a million, that should be clear evidence that the court is being used nefariously. My doctors warned me to reduce my stress but I had no choice to fight against his crimes made against me. I will prevail. #lupus #alopecia #fatigue #autoimmune #rheumatoidarthritis #court #crimetok #awareness

Please advise.</p> <p><b>Arciola:</b> <b>The Court cannot provide an estimate of when the written decision will be finalized.</b> It is not unusual for protracted trials with voluminous exhibits to take many months to even a year or more from completion of the trial to entry of the opinion. In addition to the ongoing caseload that necessarily requires the judge to be in the courtroom for hearings, the Court is also working on two trials (and other matters taken under advisement) that were completed before the trial in this adversary proceeding was completed. <b>Because we expect that the decision will result in an appeal, it is vital that all issues raised by the parties be addressed in writing for the benefit of the appellate process.</b></p>
